16.02.1913	1A	Sun	In the February 1913 L.G.O.C. map the Sunday working Edgware (Royal Oak) – Tower Bridge Road (Tooley Street) is recorded as 1A but apparently on this day only; this corresponds with the Official Record Card.
------------	-----------	-----	---

Page 39 23.02.1913	68	Daily	The original compilers' source for stating that buses ran via Hinton Road is not known, and given the low railway bridge in that road it is questionable. Maps are insufficiently precise. It is much more likely that buses followed the route known to have been used in later years from Coldharbour Lane via Herne Hill Road and Wanless Road to Milkwood Road.

NOTE: L.G.O.C. Bus Maps for July and August 1914 show Thursday and Saturday operation on route 101 to Lambourne End and Thursday and Saturday operation on route 157 to High Beach but there is nothing on record cards to indicate these extensions operated.
